

# Up and Over & Side Hinged garage doors - GRP Styles

White gloss doors are just that! The high gloss finish just requires an occasional wipe over to keep it in pristine condition.

**Eastbourne White Gloss**

**Regent White Gloss**

**Victoria White Gloss**

GRP (Glass Reinforced Polyester) are low maintenance garage doors. GRP is an incredibly strong, dent resistant modern composite laminate with a better strength to weight ratio than steel. The door face is devoid of joints, seams, rivets or fastenings to detract from its good looks.

All doors are supplied fully finished, won't warp, shrink or rust and are virtually maintenance free. There are two ranges - white gloss and woodgrain.

Woodgrain doors are hand finished to provide a natural antiqued effect to the grain detailing.

All doors are available in a side-hinged configuration, with the exception of the Eastbourne. The Victoria & Milton are only available as side-hinged.
